

Chemistry Review of the Year

2013-2014

GOING
green

Chemistry Department News

This year the department has added to all existing materials. Students therefore have:

1. New study support manuals as hard and soft copies
2. Updated easy-to-use handout files to save time in class
3. Lots of new videos, a Skydrive© account and new materials on both websites
4. E-books to keep the best students busy reading for years!
5. Rego Science TV daily broadcasts

Success comes via hard work and the certainty of a good grade at the end of the year.

I hope this year's results are as good as last year's.
